and Vicinity**

H. G. Rumbaugh, one of the suc-
cessful apple growers on the Benton
side of the Willamette, was in Corvallis
today.

W. D. and P. L. Cate, J. H. Everet
and R. L. Glass left this morning for
the Prineville country. They are on
some sort of a trade.

Dr. Cathey will deliver a MEDICAL
address for men at Y. M. C. A. meet-
ing, 2:30 Sunday afternoon, at Shepherd
Hall. All men are invited.

E. A. Handy is having laid about
his property on Eighteenth street.
This is not in the sidewalk district
and need not have been built of
cement, but it is very gratifying that
it is so.

J. W. Handy is laying a fine 100
foot cement walk on 11th street be-
tween Jackson and Van Buren. This
is without the cement walk district,
and demonstrates Mr. Handy's pro-
gressiveness.

Mrs. Nellie Mabel Shute, of Blodgett,
died there on October 6th at the age
of 24 years, 10 months and 6 days.
The funeral took place at Blodgett on
the 7th. Mrs. Shute was a victim of
tuberculosis.

Rev. and Mrs. C. T. Hurd stopped
off here today for a brief visit. They
are enroute to Newport, where he has
accepted the pastorate of the Presby-
terian church there. For a year he has
been at Annabel church, in a Portland
suburb.

Charles Pernot has just finished
gathering a very fine crop of Italian
prunes, the best ever, and will finish
the drying by this evening. Mr. Pernot
is very well satisfied with the season's
work, although he does not know the
price he will get for his crop.

Very attractive improvements are
being finished in the Andrews & Kerr
bakery. Show windows have been
built and an ornamental partition of
pillars and grill work has been built
between the business room and parlor
at the rear. The effect is very good.

Mr. B. F. Goodman, of Corvallis, and
Miss Iva Adams, of near Shedd, were
until in marriage on Oct 6, at the home
of the bride's mother, Mrs. J. A. Mc-
Bride. They are both young people of
excellent character and attainments.
They will reside in Salem. Rev. Gil-
christ performed the ceremony in the
presence of relatives.—Albany Dem-
ocrat.

Mrs. W. J. Kerr gave a very delight-
ful affair this afternoon. As president
of the College Folk Club she had the
members of that organization at her
home to meet the new ladies of the
faculty. Fifty or more ladies were
present and found this social opportu-
nity one of genuine pleasure. The Kerr
home, decorated with autumn leaves,
presented a very charming appearance.

The Freshman reception at the
Armory last night was an elaborate
and enjoyable affair attended by a
large number of students and mem-
bers of the faculty. A pro-
gram consisted of orchestral music,
vocal solo by Ester Johnson, piano solo
by Miss Gray, brass quartette, rousing
speech by Dr. James Withycombe,
vocal solo by Mrs. Birdean Gamble,
grand march led by the faculty and a
Ragamuffin "stunt." Punch and wafers
was served and social chat indulged in
until 11 o'clock.

There's nothing like a little lively
competition. The Independent Phone
Co. has just tacked some bright new
signs on the steps leading to the up-
stairs office and has prepared to do
some bulletining of football games at
Corvallis, Portland, Eugene and else-
where. A blackboard arrangement at
the landing leading to the office has
just been completed by that tried and
true artistic decorator and all round
jolly, jovial Prince of Pilsen, Norman L.
Hayes, of Bostong. Here the Indepen-
dent will detail the score just as soon
as it's made or a little bit sooner if the
Bell people show a disposition to crowd
any. There's nothing like a little com-
petition to put life into things gener-
ally. Too much competition takes all
the life out of things.

The class games at O. A. C. will
begin next Saturday, the seniors and
juniors playing at that time. On Wed-
nesday, 20th, the Sophs will play the
Freshies, and on the following Saturday
the winners will play for the champion-
ship. This is the mandate of the ath-
letic board and is a result of the
demand of Coach Metzger for more
material to compete for positions on
the varsity team. It was felt by the
members of the board that if class
games were held at an early date
material might be induced to come out
which the coach could select from in
adding to his squad. In the past some
of the best men on varsity teams have
been discovered in the class games.
This is true of Bennett, O. A. C.'s star
tackle on the championship team of
two years ago, and "Slats" Brodie of
Portland, who played such a sensational
game at end last fall, was not discover-
ed until his senior year.

today for a week's stay at Seattle.

Geo. T. Vernon and H. M. Robinson,
directors of the Alsea school district,

Rev. Frank Baum, of Dayton,
Wash., will arrive here this evening
and will officiate at the Church of the
Good Samaritan tomorrow both in the
morning and evening services. Rev.
Baum is making this visitation to Cor-
vallis at the request of Bishop Scad-
ding who, while here this week, stated
to the vestry that he was doing his
utmost to secure a capable clergyman
for this parish.

SIMPLE WASH CURES ECZEMA

**Why Salves Fail While a Simple Liquid
Has Accomplished Thousands
of Cures.**

It is now thoroughly establish-
ed among the best medical au-
thorities that eczema is purely a
skin disease, due to a germ, and
curable only through the skin. It
is not a blood disease at all; in
fact, thousands of people suffer
with skin disease and are per-
fectly healthy otherwise, and
thereby prove they have no dis-
eased blood.

Smearly salves cannot reach the
germs because they do not pen-
etrate the skin. The only way to
reach the germs is by means of
a penetrating liquid.

Such a liquid can be obtained
by simply mixing ordinary oil of
wintergreen with thymol, glycer-
in and other healing agents.
This compound, known as D. D.
D. Prescription, stops the itch in-
stantly—and the cures all appear
to be permanent. In fact, it took
thousands of cures, case after
case, before the best scientific
authorities were convinced of the
absolute merit of this remedy.
D. D. D. Prescription kills the
germs in the itching skin. Its
effect is seen within one minute
after the first application. We
especially recommend D. D. D.
Soap in connection with the treat-
ment. Allen & Woodward.
